Thursday, April 12, 3:30pm - 4:30pm

Periodicals Reading Room, Wiggins Memorial Library

What excites you most about your research?

Making connections between texts, events, people, and/or ideas that appear unrelated

- Dr. Truffin

Was there an "Oops!" moment in your research?

Shortly after publishing the article, the new Secretary of Education reversed a policy related to my research. It goes to show you that a once important topic can quickly seem irrelevant.
